

Language Revitalization Working Group

The Committee, which is comprised of one Elder, two Kwanlin Dün fluent speakers, one youth, and one member at large is responsible for developing initiatives to increase the use of First Nation languages in the Kwanlin Dün government and the community.

Some of its tasks include:

- Exploring different ideas for community wide initiatives, events, programs, etc.
- Develop language revitalization opportunities in the Kwanlin Dün government and the community
- Promote the use of First Nation Languages within the community and Kwanlin Dün government

More detailed information is available in the Terms of Reference.
