LAPTOPS FOR STUDENTS (K-12)

Due to the growing need for computers at home, the Government of Yukon and Kwanlin Dün First Nation (KDFN) have partnered to purchase laptop computers for students in Kindergarten to Grade 12.

To be eligible, the student must be:

- enrolled as a citizen with the KDFN Citizenship Office by October 1, 2020; and
- attending a Yukon school in any grade from Kindergarten to Grade 12.

How to get a laptop

- 1) Drop this form off at Kenädän Kù - The House of Learning using our secure mail box, or email it to education.reception@kdfn.net.
- 2) Once we have processed your application, you'll be contacted by phone or email to make a prearranged appointment for pick up.
- 3) Laptops will only be available for pick up at Kenädän Kù - The House of Learning in mid-to-late November 2020. We cannot deliver or mail out.
- 4) To pick up the laptop you must be the student or the parent (guardian) of the student.

KDFN will not provide technology support of any kind for the set-up and maintenance of this computer. Once picked up by the student or their parent, it will become the property of the student. Information on other technology support options will be provided at the time of pick up.

By signing below, you agree to these conditions.
