

# The McIntyre, Crow & Swan Neighbourhood Plan Survey

OUR HOME - OUR FUTURE - OUR PLAN

KDFN is planning for the future of McIntyre Subdivision, including Crow and Swan streets.

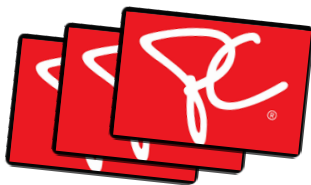

The neighbourhoods are growing and need more housing and public service infrastructure. KDFN is developing a neighbourhood plan to help guide future development in the area.

A series of neighbourhood plan workshops and community events for KDFN Citizens and Beneficiaries will be held over the summer. The first workshop will be held June 16, 2022 from 6-8p.m. at the Nàkwät'à Kų Potlatch House.

Please share your thoughts and ideas for the neighbourhood plan by completing this survey. There are 25 questions. It should only take about 20 minutes.

All survey responses are anonymous and will not be used to identify individual people.

**DEADLINE:  
June 30th**
